* It is the owner's responsibility to review/sign the environmental agreement, a copy can be located on our website. All work performed, that has the potential to be environmentally hazardous, must adhere to the rules and regulations defined in the agreement. All such work will be done on premise only. A fee for labor and hazardous disposal will be invoiced for any residual clean-up necessary.

* Boats stored off site may be visited for inspection only and worked on by approved contractors, who must adhere to the same environmental agreement.

* **Pumping out is the owner's responsibility, if the task is performed by the Marina it will be at a minimum of \$300.00.**

* Unless designated, all boats will be treated with FSR a stain/scum line remover at a fee of \$10.00.

* Paul's Marina is not responsible for any items left on board the boats (vests, safety kits, lines, electronics, gas tanks, etc); the trailers and/or the condition of the trailers; sails, covers, bags, lines, and battens sent to Hallett Sails; dinghies being stored on site; and/or pumping out the vessel.

* If the boat has not been prepped by October 1st, or by its scheduled haul-out date, then additional labor will be included on the final bill for storage preparation.

Signature: _____ Date: _____
